“Raising the Laughs in Home Care”

Featuring British comedian James Mullinger

*British comedian **James Mullinger** was one of the hardest working stand ups in the UK as well as the Comedy Editor for GQ Magazine.*

Since moving to Canada in February 2014 he has been nominated for a Canadian Comedy Award for Best Live Solo Show and a Just For Laughs Award for Best Comedy Show.

He has sold out the Imperial Theatre twice, appeared on CBC many times, produced three seasons of his own television series which follows him travelling around Canada performing comedy shows and headlined Yuk Yuk's comedy clubs all over the country.

A big budget movie had been made about his life (starring actors from Twilight, Downton Abbey and Notting Hill and comedians such as Jimmy Carr, Gilbert Gottfried, Mike Ward and Pete Zedlacher). On 28th April 2016, James sold out Harbour Station Arena in Saint John, outselling Jerry Seinfeld, Iron Maiden, Def Leppard and Jeff Dunham! Come and see why James is taking Canada by storm.

Thursday Evening Dinner Menu will be sure to delight us before the laughter begins. (6:30 start)

Caesar Salad, seasoned croutons, bacon bits, cherry tomato and asiago in a creamy roasted garlic dressing
